RESPONSE TO BOARD DECISION

Commissioner for Patents  
Alexandria, VA

Dear Sir:

The Board decision dated November 17, 2010 reversing the rejections of Claims 10-13, 15, 16, and 18-25 but for an obviousness-type double patenting rejection of Claim 18 is gratefully acknowledged. A terminal disclaimer (using the issued patent number of the application referred to in the rejection) accompanies this amendment to remove the obviousness-type double patenting rejection of Claim 18, which, along with this amendment, places the application in immediate condition for allowance, MPEP §1214.04.
